Re: Informational Submission of ComEd Amended Operating Protocol for Municipal Coordination of Emergency Preparedness and Response Management

Dear Ms. Rolando:

Enclosed please find Commonwealth Edison Company's Amended Operating Protocol for Municipal Coordination of Emergency Preparedness and Response Management ("Amended Protocol"). This Amended Protocol supersedes the Protocol filed on April 11, 2012. The Amended Protocol is being filed with the Illinois Commerce Commission for informational purposes pursuant to the direction of the Acting Executive Director of the Commission, Randy Nehrt.

An electronic copy of this letter and the Amended Protocol are included on the enclosed CD. Finally, a copy of this Amended Protocol is also being sent to each of the municipalities referenced on ComEd Tariff ILL.C.C. No. 10 at Original Sheet Nos. 5-18 (with the exception of the City of Chicago).

ComEd kindly requests that the Chief Clerk's Office acknowledge receipt of this letter and the Amended Protocol by file-stamping this letter.

Very truly yours,

Ross C. Hemphill,
Vice President, Regulatory Policy and Strategy
Commonwealth Edison Company
