

# POST 2006 INITIATIVE

## PROGRESS REPORT

WORKING GROUP(S) Competitive Issues and Subgroups

DATE August 19, 2004 Minutes & Progress Report

LOCATION Chicago Offices of Constellation NewEnergy

I ATTENDEES: ComEd, Ameren, IP, IMEA, Exelon, Dynegy, CNE, BlueStar, Conoco Phillips, Reliant, MidAm (retail), Ameren Energy, US Energy Savings, MWGen, CCSAO, IL AG, DCEO, City of Chicago, IIEC, Giordano and Neilan, IBEW (6th District), University of Illinois, and ICC Staff.

II a ISSUES DISCUSSED FROM FINAL ISSUES LIST

The CIWG addressed all ICC Final Questions (67-79) assigned to the Working Group. Only Question 67 did not arrive at a consensus answer. The results will be reported on in the CIWG Final Report.

The CIWG revisited the Working Propositions developed in prior meetings, with particular attention to Competitive Declarations, which did not achieve consensus and for which the Final Report will present three competing viewpoints.

II b OTHER ISSUES DISCUSSED

See above.

III PRESENTERS

None

IV PRESENTATION SUMMARIES

N/A

V CONCLUSIONS REACHED

See above

VI COMMENTS

A CIWG Draft Final Report will be circulated to participants prior to Labor Day with the objective of receiving comments in short order. Based on the comments and participant wishes, a final meeting of the CIWG will be set in order to finalize the Report.

VII TOPICS FOR NEXT MEETING

See above.

VIII TIME AND LOCATION OF NEXT MEETINGS

If necessary, no later than mid-September at Offices of Constellation NewEnergy  
550 W. Washington Suite 300  
Chicago, IL 60661
