

**ICC Public Notice of Winning Bidders and Average Prices
Illinois Power Agency 2009 Procurement for Commonwealth Edison Company
May 11, 2009, Renewable Energy Credits RFP Procurement**

On May 11, 2009, NERA Economic Consulting (“NERA”), the Procurement Administrator retained by the Illinois Power Agency (“IPA”) for the 2009 procurements for Commonwealth Edison Company (“ComEd”), received bids for the ComEd Renewable Energy Credits RFP Procurement pursuant to the IPA’s Procurement Plan approved by the Illinois Commerce Commission (“Commission”) in Docket No. 08-0519. On May 13, 2009, the Commission voted to approve the bids recommended for approval by the Procurement Administrator. Section 16-111.5(h) of the Public Utilities Act provides that “[t]he names of the successful bidders and the load weighted average of the winning bid prices for each contract type and for each contract term shall be made available to the public at the time of Commission approval of a procurement event.” 220 ILCS 5/16-111.5(h). In Docket No. 08-0519 the Commission also determined (1) that the number of megawatts awarded for each contract type and for each contract term will be publicly disclosed after a Commission vote accepting a procurement administrator recommendation to accept certain bids, provided there are at least three winning bidders in the entire procurement event, and (2) that the winning quantities and average prices for all products, and not just the 24 basic building block products, will be publicly released.

The names of the successful bidders for the above-described May 11, 2009, procurement event are as follows:
